Section 04: First Aid Measures

Eye contact: Do not rub eyes. Immediately flush eyes with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if irritation develops and persists.

Skin contact: If irritation develops, wash with soap and water. If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse.

Inhalation: Remove from area of exposure. If the affected person is not breathing, apply artificial respiration. If persistent irritation, severe coughing or breathing difficulty occurs, seek medical attention.

Ingestion: If wood or wood dust is swallowed, get immediate medical attention or advice. Do not induce vomiting.

Section 05: Fire-Fighting Measures

Flashpoint: Not applicable. The product is a solid.

Extinguishing Media: Water fog, foam, dry chemical.

Chemical/Combustion Hazards: Stacked material will retain heat and has the potential to re-ignite.

Precautions/Personal Protective Equipment: Avoid smoke inhalation. Use appropriate respiratory protection.

Section 06: Accidental Release Measures

Spill or leak procedures: Not applicable. Product is a solid.

Section 07: Handling & Storage

Safe Handling Procedures: None recognized.

Safe Storage: Store flat, supported and protected from direct contact with the ground. Store in a cool dry place.
